

E-Admission Rules:

- E-admission is nothing but payment of admission fees digitally without verification of documents and physical appearance in the college.
- Candidates selected for e-admission for the running phase are eligible for payment.
- This admission is purely provisional and it will be treated as final after verification of documents and actual fees paid as per Fees structure.
- If any information submitted by the candidate found false the admission will be treated as cancelled and fees will be forfeited.
- If the fees paid by the candidate is less than the actual fees (as per Fees structure) for the subject excess fees to be paid in cash at the time of verification.
- As the e-admission is a continuous process please follow the running phase as it will be updated in a short interval.
- In a particular phase of e-admission the name of a candidate may appear in different categories /different subjects but he/she may take admission once of his/her own choice.
- An admitted student may be allowed for e-admission in another subject for the next phase but he/she has to cancel his/her previous admission.
